

The Oaks Primary School  
Bringing Learning to Life

## Sports Funding Report 17/18

### **What is Sports Premium funding?**

As part of the 'Olympic Legacy' from 2012, the government provided £150 million, over the subsequent two academic years, to provide new and substantial primary school sport funding. The funding was jointly provided by the Department for Education, Health and Culture and Media and Sport. It meant that money went directly to Primary Schools to spend on improving the quality of sport and P.E.

### **Allocation of the Sport Premium**

The School receives **£17810** from the government and this is only to be spent on sport and PE provision in school.

#### **At The Oaks we have allocated our funding in the following ways:**

- PE equipment.
- Provision for Lunchtime activities, including team building for disadvantaged children.
- Opportunities for children in KS1 and KS2 to experience inter-school competitions.
- Providing extra-curricular activities for KS1 and KS2 in a broader range of sports. Encouraging all children to be involved.
- Purchasing further games resources to encourage children to be active through developing different sports.
- Employment of local coaches to work alongside staff and children, providing opportunities for children to have high quality coaching.
- Staff to receive professional development.
- 1 day a week lunchtime sports club.
- Swimming lessons for LKS2 and transports costs to travel to and from Bolton one.
- Year 6 Swimming assessment
- KS2 Play leaders using outdoor equipment and to build up skills to teach games.
- Apple dance club.
- Improvement of outdoor and adventurous activities.

#### **Examples of Intended Impact are:**

- Wider scope of PE/sporting activities delivered by high quality coaches with children being introduced to a range of sports; gaining experience that will benefit them in the future.
- Children developing teaching and coaching skills at an early age across a range of activities.
- Wider opportunities for quality sports coaching.
- Children encouraged to pursue sports outside school and use their skills that have been developed in school at club levels within the community and wider area.
- Continued investment to ensure provision is sustainable.
