Wednesday 17th July	Y6 Trip to Heaton Park
Thursday 18th July	Y6 Final Assembly at 6.30pm

Sports Day ~ Monday 17th June

Fingers crossed, the forecast is looking good! Please send children with a sun hat: sun cream already applied and their PE kit. We will provide drinks.

KS2 children can bring sun cream to reapply at lunchtime.

Rec and KS1 will start at around 9.15 / KS2 will start at 1.30

Friends of the Oaks will be providing a refreshment stall this year.

Please bring your own chairs and rugs to sit on. There will be a limited number of school chairs available.

At the end of KS2 Sports Day all children will need to go back to class and will be dismissed at normal time at 3.15pm.

Please do not come over to the children's seating area. Staff need to ensure children are kept safe and in their allocated area at all time.

After School Club Collection

Please use the gate from the carpark—same gate as breakfast club and follow the building round to the playground/hall there. Children will be there everyday apart from during Apple Dance on a Wednesday 3.15-4.15. If you are collecting during this time please phone the club mobile number to contact staff. We have our staff meeting at this time so there is no one in the office.

Our Eid Party

On Tuesday 11th June from 3.15-4pm on the playground.

Classes for next year.....

Reception:	Mrs Ashton
Year 1:	Mrs Bullen
Year 2:	Miss Gill
Year 3:	Mrs Hesketh and Mrs Brown
Year 4:	Miss Roocroft
Year 5:	Miss Shaw
Year 6:	Mrs Robertson

We are sad to inform parents that Mr Green will be moving on in September. We have enjoyed having Mr Green as part of our team this year and wish him lots of luck for the future.

We are excited to welcome Miss Roocroft to our staff team. Miss Roocroft is an experienced teacher having taught in two Bolton schools and just completed three years teaching in Dubai.

Our Value of the week is Appreciation...

Please chat to your child at home about the value appreciation. In school we discuss this value regularly and reward children for showing appreciation. This could be shown through using manners such as please and thank you. We encourage children to appreciate the opportunities they are given and not just material objects. However, we do expect them to appreciate materials and resources in school and look after these.

Children of this generation often find appreciation difficult to understand. They take things for granted, expect more and for objects to be achieved quicker and in a more immediate way. Everything is instant, can be ordered online, downloaded etc. Sometimes we all forget to appreciate each other and what we have in our lives.

So this week, if you can, please take a little time to consider these ideas below....

- Say please and thank you. ...
- Help someone less fortunate. ...
- Send out thank you cards. ...
- Look for awe-inspiring moments in your day. ...
- Share your gratitude at bedtime. ...
- Share your gratitude at the dinner table. ...
- Compliment others
- Set expectations when shopping. ...
- Make giving and volunteering a habit. ...

The word "appreciation" means really seeing something for what it is - an awareness of how special, how lucky, how unique, how blessed, how big, wonderful or awesome something is. Appreciation is a recognition not based on comparison, but based on the intrinsic value, character or immensity of a thing or state itself.

Thank you for your support, Jo Grundy, Headteacher
