## The Parts of a Parent Reader

### Reading at Home

To support the vast amount of reading we do in school, it is expected that all children, in all year groups, read aloud regularly to an adult at home as well as regular independent reading. Reading aloud develops your child's fluency in reading and is useful in checking your child's understanding. Reading is monitored, please ensure that you sign your name in your child's Green Reading Record to show when they have read at home. Red slips may be sent home if your child is not reading regularly at home. Thank you for your support.

### Conversation starters....

We hope you find these conversation starters useful for that all important hour when the little ones come home and declare they have done 'nothing' at school today!

"Who did you sit next to at lunchtime today?"

"What is your teacher really good at?"

"What book is your class reading this half term?"

"What did you learn in your maths lesson today?"

"Who is the kindest person in your class?"

### Sainsbury's Active School Vouchers

The Oaks Beavers and Cubs and Scouts are collecting Sainsbury's Active Kids vouchers, being issued in supermarkets until 2nd May 2017. They can then exchange them for sports and games equipment. If you receive any vouchers, or know anyone who regularly shops at Sainsbury's please give them in to the school office over the next few months.
