What is match funding?

Match giving or match funding is a simple way of maximising the fundraising efforts of your individual PTA volunteers. It is an informal albeit corporate arrangement between a company and their employee. Not all companies offer matched funding but those that do will pledge a sum of money relating to the amount their employee has raised for or donated to the charity of their choice. Some organisations will match fund on a £ for £ basis, others will stipulate what they are prepared to give.

If you think your employer could help please let us know.....
