Physical Education

Gymnastics
Games

The Oaks Primary School

Project Overview

Fire Fire Y1 Autumn 1

Can fire be a good thing?

Key Learning Skills

Information - Processing skills,
Enquiry, Questioning, Making connections, Researching, Imagining, Creating new knowledge, Empathy

Religious Education

How and Why do we celebrate special times?
The Golden Rules, developing confidence and responsibility.

In PSHE we can :

Set goals for ourselves, identify different types of behaviours (good and bad), understand about how changes can affect us, Identify people who take care of us.

As a Computer user we can:

Use technology safely and respectfully
Understand what personal information is and who can we share it with
Recognise different ways to communicate online

As Historians we can:

Chronological understanding

Use words and phrases like old, new and a long time ago
Talk about things that happened when they were little
Say why they think a story was set in the past?
Put 5 objects in chronological order

Historical Enquiry

Ask and answer questions about old and new objects
Answer questions using a range of artefacts/ photographs provided

Knowledge and interpretation

Appreciate that some famous people have helped our lives be better today
Recognise that we celebrate certain events, such as bonfire night because of what happened many years ago

As Scientists we can:

Talk about what we see, touch, smell, hear or taste
Use simple equipment to help them make observations
Show their work using pictures, labels and captions
Distinguish between an object and the material, from which it is made
Describe materials using their senses, using scientific words
Explain what materials are made from
Explain what happens to a material when it
