

The Oaks Primary School
Bringing Learning to Life

Year 1 Curriculum

Autumn

We have had a very busy first term in year One. The children have loved learning about Fire Fire, especially The Great Fire of London. We had a fantastic time visiting the fire station and you can see some photos on our website page. The children also enjoyed making bread when Asda came to visit.

Nativity

Autumn 2 is another very busy term in Key Stage 1 as we prepare for the Christmas Nativity. We will send costume requirements out as soon as we know them. All children in year 1 will be part of the Nativity and some may have small speaking parts.

Parent's Evening

Parents Evening will be held on the 30th October & 1st November. Please ensure that you have booked an appointment on line. Please be aware that parents meetings are a maximum of ten minutes long. A member of staff will let you know when you have come to the end of your ten minute slot. If you feel that you need to discuss anything further at the end of your meeting then please arrange to meet with the class teacher at a separate time. Please also remember that at The Oaks, we have an open-door policy so you can call in at any time if you need to speak Mrs Bullen. If she is not available she will arrange a time to meet with you. Thank you for your support with this.

THINGS TO REMEMBER!

Monday

Tuesday
PE
Music

Wednesday

Thursday
PE

Friday
Spelling Test

Let's Celebrate

This term our project will be 'Let's Celebrate' and we will be learning all about celebrations that are taking place at this time of the year. Starting with Guy Fawkes and Bonfire Night and ending with Christmas. We will look at the anniversary of WW1 and the importance of the Poppy. Please send into school any photos you have of your child celebrating something special.

PE Kit

Children must have their indoor PE kit in school at all times. You will be informed if your child needs an outdoor kit or their forest school things. They also need to keep a pair of wellies in school.

In English this half term we will be continuing to work on the basic skills of sentence structure and punctuation. We will be having a go at writing simple poems based on Fireworks.

In Maths we are moving on to Addition and Subtraction. Please encourage your child to have a go at Times Tables Rockstars. Using their purple mash loq ins.

HOME READING

In Year 1 children will no longer bring their Oxford Reading Tree Guided Reading book home. Children will read twice weekly in Guided Reading and will be given the opportunity to change their own home reading books at this time. The children can change their reading books at any other time in the week and they are encouraged to do this independently. If your child has not changed their book in between guided reading sessions please encourage them to do so. If you listen to your child read at home please complete the reading record by signing, dating and leaving a comment.
