

The Oaks Primary School
Bringing Learning to Life

Year 1 Curriculum

Spring 2

This half term your project is 'Mansions, Motorhomes and Mud Huts!' Please see the overview for specific information that the project will involve. Your child will also have a new Research Log sheet with ideas of research that they can complete at home. From the end of March in Year 1 we will be having a student teacher, Mr Eckersley, working alongside Mrs Bullen. We are looking forward to having him as part of our team during his placement. Remember to check the school website and Twitter to see what your child has been doing in school! Our Twitter account is @OaksBolton.

PARENTS EVENING

Year 1 Parents Evening will be on Tuesday 12th March from 3.30pm – 7pm and Thursday 14th March from 3.30pm – 6pm, where you will have an individual meeting with your child's class teacher to discuss their progress. You will also have the opportunity to look at your child's books and the learning that they have been doing in school. Please ensure you book your appointment online. At The Oaks, we have an open-door policy so you can call in at any time if you need to speak your child's class teacher. If they are not available they will always arrange a convenient time to meet with you. Thank you for your support with this.

Trips Trips & Visitors

This half term Year 1 will be going on a local walk to look at houses and homes in the local area. Look out for more information.

Please Help!

Over the next few weeks please support your child in learning to use their password to log on to purple mash and the school website. Please also practice counting backwards with your child. We have been doing lots of this in school.

PE Kit

Children must have their indoor PE kit in school at all times. You will be informed if your child needs an outdoor kit or their forest school things. They also need to keep a pair of wellies in school.

English & Maths

In English this half term we will be focusing on Traditional Tales. You can help your child by reading lots of traditional tales at home and discussing the story with your child. In Maths, we will be learning all about place value and measures.

THINGS TO REMEMBER!

Monday

Tuesday
PE

Wednesday

Thursday
Music

Friday
Spelling Test
Forest
Schools

READING

We are making some changes at school to how reading is taught. Some children will now be having whole class reading lessons so may not read as often at school in a small group.

Please support us with this by reading at home with your child EVERYDAY and recording this in their reading record. The children are encouraged to become independent and to change their reading books on their own when they have completed reading it at home.
