

In Geography we can:

Find out about a locality by asking questions.

Explain what makes a locality special.

Describe the features of different places.

Name the continents of the world.

Name the world's oceans.

Use simple compass directions to describe features on a map.

The Oaks Primary School
Bringing Learning to Life
Project Overview

Wheels, Wings or Water

Autumn 2 - Year 2

Is it easy to get from one place to another?

In History we can:

Find out about significant individuals of Britons in the past

Explain how Bolton was different in the past.

Sequence events in chronological order.

Compare our lives with the lives of our grandparents when they were young.

Find out about life in Bolton in the past by asking an older person.

Use different words and phrases to describe the past and present.

In Maths we can:

Measure in standard units (cm) using ruler.

Measure accurately when making models.

In PSHE we can:

To understand the differences between right and wrong (Rosa Parks)

Explain what to do when bullying and teasing occurs to us and others.

In ICT we can:

Start to understand how technology affects our lives.

In Design Technology we can:

Develop ideas from initial starting points.

Design a moving vehicle.

Measure materials to use in a vehicle.

Join materials together in different ways, as part of a moving vehicle.

In Science we can:

Carry out a simple fair test

Explain why it might not be fair

Record findings

In Religious Education we can:

Learn about people who inspire us.

In Music we can:

To sing and follow the melody

Sing accurately with given pitch

In English we can:

Write a story with a similar theme

Write an explanation text

Key Learning Skills

Having a point of view, empathising, collaborating, listening, investigating
