

# The Oaks Primary School

Bringing Learning to Life

## Year 2 Curriculum

### Autumn 2

This half term your project is Wheels, Wings or Water! Please see the overview for specific information that the project will involve. Your child will also have a new Research Log sheet with ideas of research that they can complete at home. We regularly update the school website with pictures of children's learning. Remember to check it to see what your child has been doing in school!

### English & Maths

In English this half term we will be learning to write adventure texts. It is extremely important that your child continues to read at home EVERY DAY. This will ensure that they develop the fluency and comprehension skills required to access the primary curriculum. In Maths we will be developing our knowledge of addition, subtraction, multiplication and division. We will be introducing some of the formal written methods. These can be found on the Calculations Policy on the website. Remember that you can practice your maths skills at home in your Maths Challenge books.

### Blogging!

Remember to blog on the Year 2 Blog page and follow us on twitter: @OaksBolton

### THINGS TO REMEMBER!

Monday

Tuesday  
PE kit needed

Wednesday  
Spelling test

Thursday  
PE kit needed

Friday  
Sport Academy –  
PE kit needed  
*Indoor,  
Outdoor &  
Forest Schools  
kit needed*

### Trips & Visitors

Over the year there are range of visitors and trips that have been organised for Year 2, to further support their learning in school. This half term we will be listening to a visitor talk to the class all about transport.

### Nativity

Key Stage 1 will be performing a Christmas Nativity in December. Your child should have brought home lines to learn. Please ensure that they practice these at home.

### Spelling Tests

The children do a Spelling test every Wednesday in Year 2. As the children are familiar with the tests they will now be given 10 spellings each week. Spellings are sent home each week so that the children can learn the spellings at home ready for their test. Please support your child with this.

### PE Kit

Children must have their indoor and outdoor PE kit in school at all times. They should also keep a pair of wellies in school.

### Open Door Policy

At The Oaks, we have an open-door policy so you can call in at any time if you need to speak to your child's class teacher. If they are not available they will arrange a time to meet with you.
