

The Oaks Primary School Project Overview

As Historians we are learning to:

- Look at the differences between houses today and houses in Stone Age Britain.
- Understand how the world is different.
- Record time in a timeline, understanding the difference between BC and AD.
- Appreciate what people ate in the Stone Age.

As citizens we:

Will understand and respect the importance of looking after our local environment.

As Scientist we are learning to:

- Observe and compare rocks.
- Know that testing can identify differences.
- Know that rocks are chosen for particular purposes because of their characteristics.
- To recognise and carry out a fair test.
What are rocks made out of?
What do we use rocks for?
What do we use soil for?
Where does soil come from?
What is erosion and permeability?

Yabba Dabba Doo!

Year 3 – Autumn 1 – History and Science

As Writers we are learning to:

- Write stories with a historical setting, focusing on describing more than what can be seen.
- Use a range of conjunctions.
- Apply our spelling words to our writing.

**Yabba
Dabba Do!**

Key Learning Skills

Questioning, Listening, Planning, Revising, Investigating, Evaluating, Being Independent, Being creative, Creating new knowledge.

As Thinkers we will ask:

What if there were no rocks?
What if rocks were all the same?
What if we didn't have any soil?
What are the main uses for soil and rocks?

As Artist, Designers + Cooks we are learning to:

- Create shadow puppets of cavemen.
- Make our own cave paintings.
- Make a Stone Henge out of biscuits!

As Mathematicians we are learning to:

- Understand place value, including how numbers are made up of thousands, hundreds, tens and ones.
- Use mental and written strategies to add and subtract numbers with three digits.
