

The Oaks Primary School Project Overview

As Geographers we are learning to:

Name a number of countries in the Northern Hemisphere.
Locate and name some of the world's most famous volcanoes
Name and locate some well-known European countries?
Name and locate the capital cities of neighbouring European countries
Become aware of different weather in different parts of the world, especially in Europe.

As citizens we:

Will know how to resolve differences between us.
Know about the range of national and regional religions in the UK.

As Scientist we are learning to:

Recognise that they need light in order to see things and that dark is the absence of light.
Notice that light is reflected from surfaces
Recognise that light from the sun can be dangerous and that there are ways to protect their eyes
Recognise that shadows are formed when the light from a light source is blocked by an opaque object
Find patterns in the way that the size of shadows changes

As Writers we are learning to:

Understand the features of persuasive texts, including advertisements.
Write an advert for our own Italian product.
Write a "Lonely Planet" travel guide to Italy.
Understand how to use and apply paragraphs in our writing.

Key Learning Skills

Questioning, Listening, Planning, Revising,
Investigating, Evaluating, Being Independent, Being creative, Creating new knowledge.

As Artist, Designers + Cooks we are learning to:

Design, create and evaluate an Italian menu using authentic Mediterranean ingredients.

As Mathematicians we are learning to:
Multiply and divide using numbers up to 1000.
Understand the relationship between multiplication and division.
Solve multiplication problems in written contexts.
Understand how to measure lengths and perimeters.
