

The Oaks Primary School  
Bringing Learning to Life

# Year 3 Curriculum

## Autumn 2

This half term your project is Magnificent Mountains! Please see the overview for specific information that the project will involve. Your child will also have a new Research Log sheet with ideas of research that they can complete at home. We regularly update the school website with pictures of children's learning. Remember to check it to see what your child has been doing in school!

### English & Maths

In English this half term we will be focusing on writing explanation texts, diary entries, poems and descriptive stories. It is important that your child continues to read on a daily basis. Children should log each time that they read in their Reading Record. If a child is not reading regularly enough they will receive a red slip.

In Maths we will be developing our understanding of multiplication and division as well as deepening our knowledge of fractions and money. You can practice the written methods with your child at home. Look at the Calculations Policy on the website to ensure you are supporting them correctly.

### Trips & Visitors

Over the year there are range of visitors and trips that have been organised for Year 3. This half term we will be visiting Sharples High School where we will be doing a Science based workshop.

### Times Tables

Please ensure that your child practices their new times tables and division facts and continues to practice the ones they've previously learnt. This is essential in accessing many areas of the Year 3 curriculum.

### Open Door Policy

At The Oaks, we have an open-door policy so you can call in at any time if you need to speak to your child's class teacher. If they are not available they will arrange a time to meet with you.

### Spelling Tests

The children do a Spelling test every Tuesday in Year 3. Spellings are sent home each week so that the children can learn the spellings at home ready for their test. Please support your child with this.

### THINGS TO REMEMBER!

#### Monday

Share Research Logs

#### Tuesday

Spelling Test

#### Wednesday

Times Tables Tests

#### Thursday

PE – both indoor and outdoor kit needed

#### Friday

Share Maths Challenge Books  
Technology Academy
