# Year 4 Curriculum

Welcome to Year 4! I hope you have had a lovely summer! We have an exciting year ahead of us with lots of projects and trips! Your teachers this year are Mrs Ashton and Miss Ralph.

## READING!

It is extremely important that your child continues to read on a daily basis.

They should log each time that they read in their reading record. This is monitored in school and if children are not reading at home they will receive a red slip, where they will have to read to a teacher at a playtime.

Inside the reading record, you will find a list of Year 4 recommended texts. These texts are of a level that will challenge your child whilst enhancing their vocabulary and comprehension skills. All of these books are available from the Year 4 class library.

Remember to blog on the Year 4 Blog page and follow us on twitter: @OaksBolton

## Times Tables

It is expected that children should know all of their times tables and their division facts by the end of year 4. Please practice with your child as often as possible as this will help them in accessing the rest of the primary maths curriculum.

## Class Call-In

At The Oaks, we have an open-door policy so you can call in at any time if you need to speak to your child's class teacher. If they are not available they will arrange a time to meet with you.

We will also be having a class call in next Wednesday 20<sup>th</sup> September from 3.30pm – 4.15pm, where you can have a look at your child's new classroom and get to meet their new teachers.

## PE Kit

Children must have their indoor and outdoor PE kit in school at all times.
