

The Oaks Primary School
Bringing Learning to Life

Year 5 Curriculum

Summer 1

Your project this half term is 'To Infinity and Beyond' where we will be learning all about Space! Please encourage your child to blog regularly and check their class page for important information and updates about their learning. Remember to also follow us on Twitter – we post many pictures of our learning in school! Our Twitter account is @OaksBolton

NEWSLETTERS

Your class letter provides information for your child's class that is relevant for that half term. Each week, the school **newsletter** is emailed out, uploaded to the school website and paper copies are available from the school entrance. The newsletter contains key weekly messages that are essential in supporting your child at home. Please ensure that you read this on a weekly basis so that you keep up to date with these key messages in school.

Trip

To support our learning in school, Year 5 will be visiting Jodrell Bank on Wednesday 1st May. Look out for pictures of the trip on our school Twitter account @OaksBolton.

Class Novel

This half term Year 5 will be reading the novel *The Nowhere Emporium* by Ross MacKenzie.

Mental Maths

Please support your child with mental maths at home. The children are quite reliant on written strategies when they could answer some questions much more quickly if they calculated it mentally. Try quizzing your child little and often with quick fire mental addition, subtraction, multiplication and division questions.

PE Kit

Children must have their indoor and outdoor PE kit in school at all times. Football kits / labelled tracksuits are not allowed to be worn for PE in school.

English & Maths

This half term in English we will be focusing on writing fables and extended our range of sentence structures. In Maths, we will be focusing units of measurement and learning the properties of 3D shape. At home, please continue to practice mental maths with your child including mental addition and subtraction and their times tables.

THINGS TO REMEMBER!

Monday

Mental Maths Test
Spelling Test

Tuesday

Wednesday

Thursday
