

The Oaks Primary School
Bringing Learning to Life

Year 5 Curriculum

Welcome to Year 5! Your teachers this year are Miss Shaw, Miss Copeland and Miss Ralph. Your child has a user name and password for their class blog. Please encourage your child to blog regularly and check their class page for important information and updates about their learning. Remember to also follow us on Twitter – we post lots of pictures of our learning in school! **Our Twitter account is @OaksBolton**

Class Call-In

At The Oaks, we have an open-door policy so you can call in at any time if you need to speak to your child's class teacher. If they are not available they will arrange a time to meet with you. We will also be having a class call in on **Wednesday 19th September from 3.30pm – 4.15pm**, where you can have a look at your child's new classroom and get to meet their new teachers.

Class Novel

This half term Year 5 will be reading Skellig by David Almond.

READING!

It is extremely important that your child continues to read at home EVERY DAY. Reading books will continue to be sent home and you can also find a list of recommended reading books in the back of your child's Reading Record. Children should log each time that they read and this should be signed by parents. This is monitored in school.

THINGS TO REMEMBER!

Monday

PE
Times Tables
Test
Spelling Test

Tuesday

Wednesday

Thursday

Music

Friday

PE

NEW Behaviour System

As a school we are using a different system to address poor behaviour. Children will be given a warning for poor or disruptive behaviour. If their behaviour does not improve their name will be written on the board. If poor behaviour continues further, they will be given a 'red card' and miss 20 minutes of their lunch time for 'reflection time'. Any child that receives more than one red card in a week will get a phone call home to inform parents. Children are rewarded for good behaviour with house points, Oak Leaf Rewards and Certificates of Achievement.

Projects 2018-2019

Autumn 1 – America
Autumn 2 – The Tudors
Spring 1 – Rainforests
Spring 2 – Ancient Greece
Summer 1 – To Infinity and Beyond
Summer 2 – States of Matter

Times Tables

It is expected that children know all of their times tables up to 12 x 12, as well as the corresponding division facts, by the end of Year 4. The children will now have a weekly times tables test, which they will complete in their maths challenge book to ensure they remain at the correct standard. Please support your child with learning their times tables at home.

PE Kit

Children must have their indoor and outdoor PE kit in school at all times.
