

The Oaks Primary School
Bringing Learning to Life

Year 6 Curriculum

Summer 1

This half term your project is 'Light Up Your Life'. Please see the overview for specific information that the project will involve. Your child will also have a new Research Log sheet with ideas of research that they can complete at home. Remember to check the school website and Twitter to see what your child has been doing in school! Our Twitter account is @OaksBolton.

NEWSLETTERS

Your class letter provides information for your child's class that is relevant for that half term. Each week, the school **newsletter** is emailed out, uploaded to the school website and paper copies are available from the school entrance. The newsletter contains key weekly messages that are essential in supporting your child at home. Please ensure that you read this on a weekly basis so that you keep up to date with these key messages in school.

English & Maths

In Maths we will be focusing on statistics, measures, division and reasoning as well as recapping all of the arithmetic that they have learnt whilst in KS1 and KS2. You can keep practising the written methods with your child at home. Please look at the Calculations Policy on the website to ensure you are supporting them correctly. In English we will be writing balanced arguments and persuasive texts. Please continue to read with your child at home and sign their reading record each time you hear them read.

Spelling Tests

This term Year 6 will no longer bring home spellings to learn. Each week they will be tested on unseen words, as they will do in the SATs. They will then bring home their test so that they can go over the words and practice similar spelling patterns at home.

Research Logs

Tuesday

Spelling Test

Wednesday

Thursday

Music

Friday

PE

Class Novel

Our class novel this half term is 'The Nowhere Emporium' by Ross MacKenzie.

SATs 2019

The SAT's will be held the week beginning 13th May 2018. **These tests are statutory.**

Please see overleaf for a timetable of the week, detailing which tests will be sat at which times. Over the next few weeks we will be doing lots of revision in school. It is extremely important that you support your child with any homework/revision that is sent home. Please also ensure that your child returns their homework for the date set so that they can go through it with the rest of the class. In the weeks leading up to the tests you can support your child by ensuring that they go to bed early, have lots of rest and a good breakfast each day! Thank you.
