

The Oaks Primary School
Bringing Learning to Life

Year 6 Curriculum

Summer 2

This half term we will be finishing off our 'Light Up Your Life' project before moving on to our final project 'Spread Your Wings'. This will focus on Art and Geography as well as transition to high school. Remember to check the school website and Twitter to see what your child has been doing in school! Our Twitter account is @OaksBolton.

HOME LEARNING GRIDS

We are trialling our new home learning system this half term. Your child will have a 'Home Learning Grid' in their research log which has a combination of compulsory and optional activities that they can do over the half term. They should do these activities in their Research Log for the summer, then in Autumn they will be given a new Home Learning Book. We are also changing the 'Project Overview' to a 'Knowledge Organiser'. This will contain key information and facts to help your child with their upcoming project. If you have any questions about any of this then please just call in and ask! Thank you for your support.

English & Maths

In Maths we will be focusing on problem solving. In English we will be writing balanced arguments and we will be doing lots of reflective writing, looking back at our time at The Oaks. Please continue to read with your child at home and sign their reading record each time you hear them read.

End of Year Trip

In the last week of summer term Year 6 will be going on their final trip. Look out for a letter this week with more information.

Class Novel

Our class novel this half term is 'Wonder' by R.J. Palacio.

THINGS TO REMEMBER!

Monday

Tuesday
Spelling Test
PE

Wednesday

Thursday

Friday
PE
Drama

WELL DONE

We have been so proud of Year 6's attitude to school this year and how brilliantly they all did in their SAT's. All of the children approached each test with great determination, eager to show off their knowledge.

Well done to all of you.

Important Dates

This half term will be very busy for Year 6 with events leading up to them leaving The Oaks. We will be very sad to see the class of 2019 leave The Oaks in July. But look forward to fun-filled final half term with them!
