Wednesday 26th January:

Road Safety Day ~ Year 2 ~ Year 6

Tuesday 8th February:

Safer Internet Day

Friday 11th February:

End of half term

Monday 21st February:

School Re-opens

House Points

Children are all in a house team. They receive house points for their team for all sorts of reasons including: when they show our school values or complete super learning. The children receive 5 house points if they earn an Oak Leaf Reward.

Well done to Holden! They were the house point winners for Autumn 2. They had an extra fun playtime this week.

After School Club

Please use our online booking system to book for club.

If it is a last minute booking please phone the office before 9.30am. Children will not be able to be added on for a late booking after 9.30am unless it is an emergency. We have to provide the kitchen with number for snacks at 9.30am.

Thank you.

Bringing Learning to Life

Bollywood Dancing for reception this morning! The children were A-MAZ-ZING! ❤️😄 Thank you to Prags from @CulturalEduc - we had a fabulous time!

Year 6 have really enjoyed using the SAM Labs equipment in Computing to build and program a remote control car! 🚗 @SAMLabs @BoltonSICT

Well done to our Eco Council, they have been busy litter picking in our local area this morning! A full bag of rubbish collected! @KeepBoltonTidy @KeepBritainTidy @Litterpickers ❤️

Year One have had a brilliant day working with @CulturalEduc. They have been Bollywood and Bhangra dancing in traditional Indian dress and also worked collaboratively to create an amazing Rangoli pattern! @reonline_tweets

In their Forest School Session Y5 learnt the survival knots, hitches & adjustable tension knots. They worked collaboratively to erect a ridge line with a paracord between 2 trees. They created shelters & pinned them down with tent pegs made from small branches. @treebudsbolton

Wonderful opportunities and experiences for our children this week to enrich the curriculum experiences they enjoy in school.

Here are some snippets from twitter this week. Our twitter feed can also be found on our website in the newsfeed.

SeeSaw

Staff have also put lots of images and videos from our multifaith week on to SeeSaw. Please use your own SeeSaw log in to view these and comment.

On **Tuesday 8th February** we will be joining schools and youth organisations across the UK in celebrating Safer Internet Day 2022. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers and more, to join together in helping to create a better internet.

Using the internet safely and positively is a key message that we promote in school/our group/our club, and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this, you may be interested in downloading the free Safer Internet Day Resources for Parents and Carers which is available at: saferinternet.org.uk/sid-parents.

Updated information for COVID.

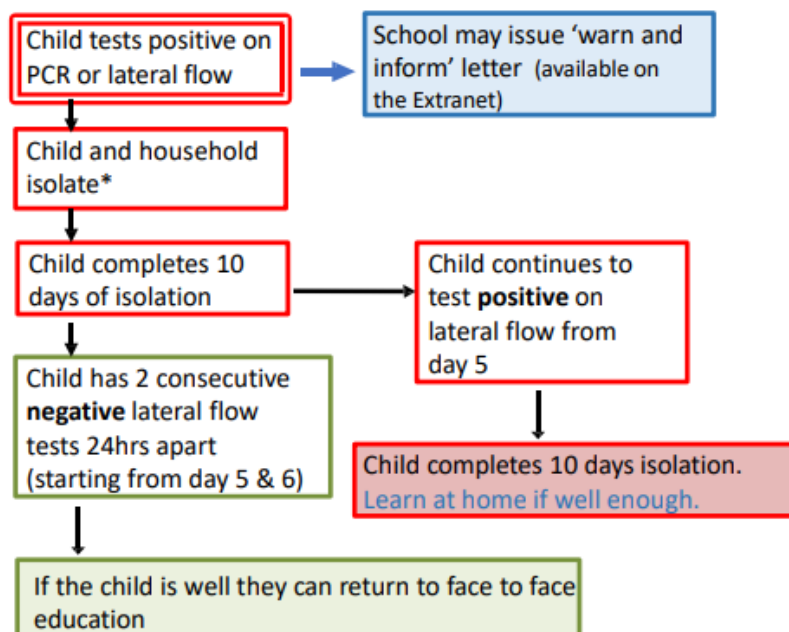

Please follow this flow chart if your child tests positive on a PCR test or a Lateral Flow Test.

Please email the office to inform us of a positive case.

Thank you!

Positive case in a student
