## Progress Reports

We know how important it is to keep parents informed about their child's progress. Teachers are busy finishing writing children's' interim progress reports. These reports will be sent home early next week.

The reports will give you an update on how your child is performing in class and about their attitude to learning

In Years 1 to 6, for the core subjects of Reading, Writing and Maths we will inform you if your child is:

- On track to attain the Age Related Expectations
- Not on track to attain the age related expectations
- On track to exceed the age related expectations. .

We will also let you know how you can help or continue to help your child at home.

**Remember education is a partnership, where school and parents work closely together.**

## Morning Drop off

Children in KS1 need to be brought to their classroom doors by a parent or carer.

The safety of the children is paramount.

Staff do not supervise children on the playground until 8.50am.
