Rec & Key Stage 1 SPORTS DAY—1.30pm
Year 6 Leavers Party 7-9pm
Year 6 Leavers Assembly 6-7pm

Sun cream and Sun Hats

As the weather gets warmer please ensure your child brings a sun hat to wear. This needs to be named. **Please ensure sun cream is applied before school to protect children's skin.**

Children can sometimes be outside for a number of hours. Children can bring cream in their bags to reapply—ensure their name is on this also.

Thank you for your support with this.

We were on the front of The Bolton News on Tuesday—but not for a happy reason! Unfortunately, over the weekend the contents of our greenhouse were destroyed.

We have been really touched at the generosity of many families contacting school asking how they can help.

At this stage we are happy to say that most of the plants have been replaced through generous donations.

If you would like to contribute to our 'Grow Fund' then please do this via PAY 360. This will enable us to buy more resources and planters for the area.

As for the vandals that did the damage, if you do have information please contact us at school. Please continue to be vigilant and report any trespassers to the police on 101.

This week we are focusing on 'connect'

Talk and listen, be there, feel connected. Good relationships are important for our mental well-being. The Well-being Leads have been thinking of different ways we can connect with our friends and family:

- Arrange to meet up with family members over the half term
- Join a club or group – share on Seesaw any groups or clubs you might already be part of
- Play a board game as a family
- Discuss feelings
- Have a family quiz night
- Don't rely just on social media to connect – parents can help to arrange to meet up with friends over the break
- Have lunch or dinner together with your family, talk about your day and ban phones from the dinner table!

Mrs Hesketh and The Well Being Leads

After School Club

Please endeavour to book on club using the online system and by 9am on the day you need. We always accommodate late bookings but this impacts on the orders with the kitchen. Thank you!

Water Bottles

All children need a water bottle for school.
Please remember these each morning.
Thank you!

A wonderful week in school.

A fabulous cricketing afternoon for Y3 & Y4 who came 3rd in the Commonwealth Cricket competition.

Well done to Holden and Lawson! Our House Point Winners for last half term! They enjoyed an extra playtime together on Monday!

Year 5 have been investigating the effects of water resistance on a shape. We have been discussing how to make an object more streamlined

Thank you. Jo Grundy grundyj@the-oaks.bolton.sch.uk
