Parents / Carers:

I understand that the school has discussed the Acceptable Use Agreement with my child and that they have and will continue to receive online safety education to help them understand the importance of safe use of technology and the internet – both in and out of school.

The Oaks Primary School
Bringing Learning to Life

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safe when they use the internet and ICT systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies.

I understand that my child's activity on the ICT systems will be monitored and that the school will contact me if they have concerns about any possible breaches of the Acceptable Use Policy.

I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's e-safety.
