## MEET THE TEACHERS!

Your teachers in Year 5 this year are Mrs Boyd (Monday – Wednesday) and Mrs Trainor (Thursday & Friday). Miss Ralph will be supporting learning in Year 5. Miss Roocroft will return from her maternity leave to work in Year 5 with Mrs Trainor after October half term.

Our first project is Space, please remember to upload any home learning to Seesaw.

Please follow us on Facebook and Twitter and ensure that you have set your account up on Seesaw – we post lots of pictures of our learning in school!

If you need to contact your child's class teacher, you can email on [boydj@the-oaks.bolton.sch.uk](mailto:boydj@the-oaks.bolton.sch.uk) or [trainorf@the-oaks.bolton.sch.uk](mailto:trainorf@the-oaks.bolton.sch.uk)

## Home Reading

It is extremely important that your child continues to read at home EVERY DAY whether they are on the reading scheme books or free choice. Please listen to children read at home. Children and parents must log each time that they read on their online Reading Record. A separate letter will be sent out with further information about the online reading record.

## Seesaw

All parents and children have access to our online learning platform 'Seesaw'. This is used regularly by children and class teachers to share learning, photos, and class information. Children can also upload photos and pictures of their learning at home so that class teachers can see and it can be shared in class. They should tag the 'Home Learning' tab when doing this. Please ensure you check Seesaw regularly and like / comment / engage with your child's learning. The children enjoy seeing teachers and parents comments on their learning. If you need to contact your child's class teacher please do this via email and do not message them on Seesaw.

## Project

Our first main project is 'Space'. As part of this project we will be reading the book 'Cosmic' and we will be learning all about Katherine Johnson.

## PE Kit

Our PE days will be on a Wednesday and Friday. Your child must come to school in their PE kit on those days and they will stay in their kit for the full day. If the weather is cold, they may wear plain dark joggers, their PE t-shirt and an Oaks hoody.

## Maths & English

In English this half term, our writing focus will be on writing sentence structure and writing letters. In Maths we will be focusing on Place Value with numbers up to one million.

## Times Tables Rockstars

To ensure that children can access the Year 5 maths curriculum, by the end of Year 4, it is expected that children know all of their times tables and corresponding division facts, up to 12 x 12. If your child does not know all of their times tables then please support your child with learning them at home and encourage them to go on Times Tables Rockstars as much as possible.
