

## Home Learning Grid

The activities in the blue boxes are expected. The activities in the yellow boxes are optional. Please post your activities on SeeSaw and then they can be seen by your class teacher and shared in class.

Learn weekly spellings and play on Spelling Shed	Year 5 Home Learning Grid Autumn 1	Look at and discuss your Knowledge Organiser with an adult
Practise times tables weekly on Times Table Rockstars	Research and draw some of the famous constellations. Then, look at the sky at night and see if you can see any of them! If you can, take a photo and upload it to Seesaw.	Read at least 4 times per week to an adult
Get creative and design a model of the solar system to show the different planets.	Choose a planet and create a fact file about it. Remember to include a mixture of pictures and writing.	Create a bar chart to compare the temperature on different planets. Remember to label each axis carefully.
Draw some bar models to convert improper and mixed fractions. Can you list any equivalent fractions?	Research the first Apollo mission and moon landing, and then create a newspaper report as if it has just happened.	Find out what the 'space race' was and which countries were involved. Create a poster to show your learning.
